

PROJECT PROFILE:

RESTAURANT REMODEL: ARBY'S

St.Louis, Missouri

Before

After

Project Summary

Customer	Arby's
Location	St. Louis, MO
Product	Ledgestone Wainscot and Custom Pilasters
Color	Desert Tan
Overview of Project	2014 The original exterior finish was EIFS and included a outdated sunroom addition. US Beef upgraded the facility with the latest 2014 design criteria to the exterior façade and added a Ledge Stone Wainscot and custom pilaster
