

Super Pantry™

URESTONE
BY REPLICATIONS UNLIMITED

Location: Rantoul, Illinois

Product Type: Virginia Stacked Stone

Color: Slate Grey

Project Overview:

Super Pantry used our Urestone 4x8 panels in Virginia Stacked stone in slate gray for their remodel. Some key driving forces for Super Pantry to choose the URESTONE system was the installation value, product durability and the ability to customize the columns for the interior and exterior elements and the lower installed cost.
