BRICK CHOICE ENCLOSURES KEY BENEFITS

FAST INSTALLATION

Our Enclosure Kits feature an easy-to-install framing system that is self-supporting. Most installations can be completed in a day.

SAVE 50% ON COSTS

Compared to the costs of traditional masonry units, you save an average of 50% when you factor in the cost of labor and materials.

CUSTOMIZEABLE APPEARANCE

Choose from a variety of sizes, heights, textures and stone colors to fit the needs of your business. Custom brick and colors are available.

DURABLE & LOW MAINTENANCE

Our brick enclosures are durable and have a clean interior appearance which makes it easier to clean & less overall maintenance.
